WASHINGTON, DC 20515-6115

Majority (202) 225-2927  
Minority (202) 225-3641

April 7, 2011

The Honorable Margaret A. Hamburg, M.D.  
Commissioner  
The Food and Drug Administration  
10903 New Hampshire Avenue  
Silver Spring, MD 20903

Dear Dr. Hamburg:

Thank you for agreeing to testify on April 13, 2011, at 10:30 a.m. in 2123 Rayburn House Office Building, at the Subcommittee on Oversight and Investigations hearing entitled "Import Safety: Status of FDA's Screening Efforts at the Border."

On several occasions you have expressed a vision for the Food and Drug Administration (FDA) to serve as a "global organization" which would possess the requisite regulatory tools to address the safety of food and medical products in an increasingly globalized world. Due in part to the growing number of imports entering the U.S. and the globalization of the product supply chain, the Government Accountability Office (GAO) has included federal oversight of food safety in its High Risk Series since 2007 and federal oversight of medical devices in its High Risk Series since 2009. Recent GAO studies have expressed concern about the FDA's information technology (IT) systems, which are crucial to the agency's import screening responsibilities.

Therefore, we ask that you be prepared to discuss the following issues at the Committee's upcoming hearing:

- The status of FDA's efforts to deploy the Predictive Risk-Based Valuation for Dynamic Import Compliance Targeting (PREDICT) system nationwide;
- FDA's role in ensuring the safety of food, drugs, and medical devices, including personal imports, entering the U.S. through international mail and express courier facilities; and,

- FDA's role in ensuring the safety of food, drugs, and medical devices, including personal imports, entering the U.S. through land borders with Mexico and Canada.

We also request that FDA provide the Committee with the following documents and information by close of business, April 11, 2011:

- Any documents relating to screening criteria developed for, or results of FDA pilot testing or subsequent testing, of PREDICT that assess whether the system would enhance FDA's import screening efforts;
- Documents relating to any internal FDA or contractor's review of the causes behind server crashes, overloads, and other network and software problems faced upon deployment of PREDICT in the Los Angeles, New York, Seattle, and San Francisco districts;
- A draft performance measurement plan (as recommended by GAO in September 2009) to evaluate the effectiveness of this risk-based approach to import screening, and to monitor and assess PREDICT's ability to identify high-risk shipments once it is deployed;
- The volume of parcels containing FDA-regulated products received by U.S. Postal Service international mail branches or express courier facilities and reviewed by FDA, for every year since 2003.
  - Please also provide the number of FDA actions, or requests made of U.S. Customs and Border Protection, to recall, detain, seize, destroy, and/or release such parcels arriving at these facilities, for every year since 2003; and,
- An estimate of the number of individuals annually transiting U.S. land borders between the U.S., Canada, and Mexico while carrying unapproved FDA-regulated products for the years 2003 to the present.

With regard to your testimony on April 13, the attached documents provide important details concerning its preparation and presentation.

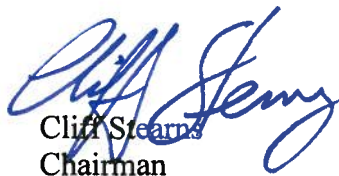

- The first attachment describes the form your testimony must take.
- The second attachment provides you with Electronic Format Guidelines that detail how to file testimony electronically.
- The third attachment provides you the Rules for the Committee on Energy and Commerce.
- The fourth attachment provides you with a Truth-in-Testimony Disclosure form and a Truth-in-Testimony instruction sheet.

Please be aware that, in accordance with the Committee's usual practice:

- (1) witnesses will be required to provide sworn testimony; and
- (2) witnesses have a right to be represented by counsel, who may advise the witnesses on their Constitutional rights, but cannot testify. If appearing as a witness, the counsel will be sworn in.
